## Important Information

### Prices

These prices are in £-sterling, and excluding VAT and carriage. Prices are valid for orders placed up to 30 June 2011.

### VAT zero-rating

The equipment is VAT zero-rated to named individuals and charities. VAT zero-rating is, however, only applied when a VAT form is signed, declaring that the equipment is for use by a named individual who has a medical need. If the VAT declaration is not made, VAT will be charged.

### Equipment found to be inappropriate

It is the responsibility of the person placing the order to satisfy him/herself that the equipment ordered is appropriate for the needs of the intended user. If it is discovered that the equipment is not appropriate for the particular needs of the intended user, we will accept return of the equipment within 28 days of the supply. If the equipment is substantially unused, we will repay (or credit) the cost of the equipment, less a charge as follows:

- EACH ITEM more than £500      £70
- EACH ITEM £250 - £500      £55
- EACH ITEM £100 - £250      £45
- EACH ITEM less than £100      £15

### Repairs

Lightwriter<sup>®</sup> SL40 is sold in the UK with a Inclusive 36-month warranty.

For a repair outside the warranty period, parts will be provided at prevailing prices. Return carriage is charged at £12.00. If required, we can arrange for a unit to be collected and brought to the factory at a Charge of £18.00. Labour is charged at £84 per hour.

### Non-UK Sales

The above points apply only to sales in the UK. Conditions applying to purchases made outside the UK are specified by the distributor from whom the purchase is made.

*Toby Churchill Ltd reserves the right to make reasonable changes or modifications to the products, materials and services at any time without notice.*
